Policy: 209 Section 200: Administration

POLICY TITLE: CHECKS RETURNED FOR INSUFFICIENT FUNDS

When a check is returned to the school district because of insufficient funds a certified letter (Appendix 209-1) will be sent to the person writing the check requesting that they contact the school district within five (5) working days with cash or a certified check to cover the face amount of the check and fees (bank fees plus a \$6.00 administration fee). The following also applies:

Partial payment will not be accepted.

The district will not agree to additional time for payment in full.

The district will not let the purchaser have the original check until complete payment is made, then receipt check back to purchaser.

If the school district is not contacted, the check may be presented to the proper authorities for collection or prosecution in accordance with I.C. 18-3106.

If a person continues to write insufficient fund checks, they will be placed on a "cash only" basis.
