Benefits offered to Retirees **under age 65**, under the Blue Cross of Idaho School Insurance Program, are to be the same benefits offered to active employees. If you had dental coverage through BCI while an active employee, you will be allowed to continue that dental coverage as a Retiree, as long as the group offers that benefit to its employees.

Retirees and/or spouses **over the age of 65** will be enrolled in our Blue Cross of Idaho School Insurance Over 65 Medicare Program and **must** be enrolled in Parts A and B. You are eligible for dental benefits if the participating school district or school related group you retired from participates in BCI's school program and you were enrolled in a dental plan through your participating school district or school related group for **12 months prior to enrolling in this retiree program.**

Please note that Blue Cross of Idaho cannot guarantee billing or payment of all policies selected by PERSI. If for any reason your premiums cannot be paid by PERSI, Blue Cross of Idaho will bill you directly.
